

TORCH

2018

In the bustling city's bosom,
Like a gem most rare,
Shine the noblest of our treasures,
Shines our High School fair.
Hail, all hail,
dear East Side High School,
Green thy memory be,
By the bond of happy hours
Are we bound to thee.
In the field, the hall,
the city, Loyal to they name,
Be it ever our endeavor
Far to spread thy fame.
Down the vista may we see thee,
Of advancing age,
Never dimmed through farther distant,
Youth's bright heritage.
Then unite inloyal praises,
Ere the glad day run,
In the world are many high schools,
In our hearts but one.

James H. Tuckley.

Dario Nogueira

DARIO NOGUEIRA immigrated to the United States at the age of two and was raised in the Ironbound for the better part of two decades. A by-product of the Newark school system, Dario graduated from Ann Street School, East Side High School and the New Jersey Institute of Technology (NJIT) with a Bachelor of Science in Business Management and minor in Entrepreneurialism in 2002.

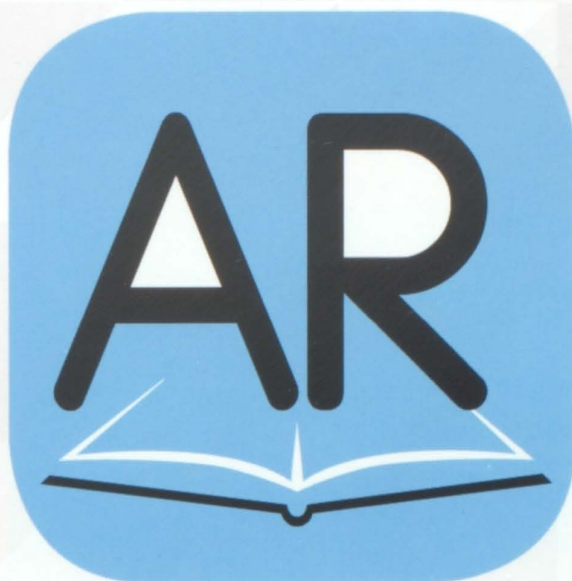

Family, friends, professors and business professionals helped mold Dario into the person he is today. He wakes up everyday hoping to make a positive difference in the world one person at a time. He long-sought-after an opportunity to give back to his community and it wasn't until 2006 when his calling came. East Side's principal, Dr. Mario Santos, elected Dario to become the school's first Alumni Director. Dario accepted and continues in the role today.

As Alumni Director, Dario formed a team comprised of talented and experienced alumni who were instrumental in establishing the Alumni Association which today is a thriving community of 6,000 graduates that continues to grow. As the Alumni Association evolved, Dario made sure that its # 1 goal was to make a difference in the lives of both the alumni and the student body. To achieve this goal, many programs were introduced to help both alumni and students alike.

The programs over the past 12 years have raised upwards of \$40,000 through several fundraisers. The monies raised have gone towards scholarships or laptops for over 50 graduating seniors and helped pay prom bids for 75 seniors along with senior dues. The programs have also assisted alumni and students find jobs by leveraging the alumni community and its thousands of connections. The Alumni Association also helps reconnect classmates that haven't spoken in years or since graduation and created the first ever database of military veterans.

The Alumni Association's proudest moment might have been when Dario and his committee made school history in organizing and hosting East Side High School's Centennial Birthday Gala in 2011. Over 1,100 alumni flew from all parts of the world to attend the Gala at the Robert Treat Hotel. The Red Raider spirit was alive that day and has yet to fizzle because of the pride and hard work of all those who contributed not only to the success of the event, but those who continue to support the Alumni Association.

Dario and his wife of 14 years live minutes from the Ironbound and are proud parents of two daughters. Dario is presently the CEO and Principal Consultant at RiskIT Consulting that he recently started up that specializes in cybersecurity, risk and IT Audit. His motto is, "Live as if you were to die tomorrow. Learn as if you were to live forever."- Gandhi

The 2018 Yearbook was created and designed with Augmented Reality (AR).

Yearbook AR enhances what you see by overlaying digital content onto a yearbook page, cover or endsheet.

Yearbook AR doesn't replace the content in this printed yearbook – it augments it by giving the viewer an additional experience and opportunity to relive the important moments of the school year.

See a AR logo on a Page? Scan it with the Yearbook AR mobile app and watch the images spring into action as video highlights of the game start to play on your device.

Seeing is believing!

To watch our exciting augmented reality solution in action, download the Yearbook AR app from the App Store or Google Play. After downloading the app, open Yearbook AR and scan wherever you see the AR logo.

Here's how it works:

1. Visit the App Store or Google Play and download the free Yearbook AR app.
2. Find the images and graphics in your yearbook marked with the Yearbook AR icon.
3. Open the app, scan each image marked with an AR icon and watch it come to life!

Our Principal

DR. MARIO SANTOS

This year has been a year full of emotions, challenges and satisfactions. We have had to strive to be able to complete one of the most important steps of our lives, which opens a world of possibilities, designed for our future, for this I want to thank this institution that welcomed me, and its' teachers and staff who have supported me from the beginning to achieve this wonderful stage. Finally, I would like to congratulate my colleagues who together with me, have overcome these years of education with effort and discipline.

Hurricane

During the month of September, Puerto Rico was hit by a devastating Hurricane. The East Side Family came together to help those families in need of food and supplies that they lost. Many students and teachers at East Side are Puerto Rican and this hurt them a lot. We all have each others back. As you can see in the pictures, people of many different cultures and nationalities helped pack up donated supplies from our students and faculty themselves!

STUDENT COUNCIL

East Side's Student Council prides itself on its' commitment to service to our school, and also to our community. Under the leadership of Ms. Naporano, and with the assistance of Ms. Wiseman we have been able to raise the bar each year. Our student leaders are passionate about making our school better in any way they can. We have organized fundraisers for hurricane relief this year, and we will be volunteering at Habitat for Humanity. We hope to instill in our members the habit of contributing to our school and society with their selfless service.

STUDENT COUNCIL

National Honor Society Torchbearer Chapter

This organization includes students who have successfully maintained a 3.5 or higher grade point average for their high school careers. Their commitment reaches far beyond the classroom to bring awareness of social issues to heighten unity in the student body. They are equipped with a strong sense of self that fearlessly motivates them to serve the school, the community, and beyond.

The National Honor Society strives to help the community in any way possible. Members dedicate themselves to planning and arranging events that enlighten and diminish the struggles we face in the contemporary world. This particular event is one of many bake sales that raised money for an important cause, Breast Cancer. Breast Cancer has been a struggle for many women and men, therefore, needing all the help it could get for research purposes and awareness. The National Honor Society is proud and honored in accomplishing so much over the course of the year in efforts to take a stance and make a change in the world.

The boys started the season by winning the Harrison Soccer Series at Redbull Arena by the score of 4-1. Playing in the NJSIAA North II Group 4 Sectional Final as a #8 seed was the highlight of our season. The boys entered the state tournament unranked and finished the year #20 on NJ.com Final Rankings and with an overall record of 10-8-4. The team overcame a series of injuries throughout the season and finished the post season with wins over Bayonne, #1 Westfield and #4 Millburn. We finished the year by winning the 13th Newark Public School Soccer Tournament 2-0 vs Science Park.

2017 was a tough year for the Lady Red Raiders. After winning their division the previous year, the girls' soccer team earned the opportunity to play in the SEC's Liberty Division. The team, under the leadership of senior captains Nicole Vieira, and Melany Hernandez, experienced the growing pains of playing in a higher division. Surely the team learned from the experience and will come back tougher and stronger in the years to come. The highlight of the season was winning the Harrison Soccer Series at Red Bull Arena by defeating Harrison High School by a score of 5 to 4.

Thanks to a strong second half performance, the Red Raiders' Red Bull Arena experience was one they won't soon forget.

OUR FIGHT.

On September 9, 2017, East Side Girl's Soccer played against Harrison Girl's Soccer which became the highlight of their season. With an intense game ending in a 5-4 win against Harrison at the Red Bull's Arena, their hard work and dedication paid off and as they left the field, they left with an incredible moment that they'll never forget.

EAST SIDE FOOTBALL

East Side football made great strides in the 2017 season. Entering the season, the Red Raiders had lost 53 consecutive games spanning over five years. On a late September night East Side defeated the Belleville Buccaneers to snap what was know to be one of the longest losing streaks in the history of New Jersey. Seniors Steve Hernandez, DeAndre Speight, Quadir Brown and Ibn Smith helped lead they way. The team showed signs of a bright future under the leadership of Coach Meeney and his staff. Sophomore QB Carlos Martinez passed for over 1200 yards and rushed for over 400 yards while earning honorable mention All-Division. 2nd team All-Division LB and team leader Junior Abdul Boulding returns in 2018 to lead the Red Raider football program to new heights.

CROSS COUNTRY

The East Side Running Red Raiders have had a year full of success. The Boys' Cross-Country team managed to finish the regular season in 3rd place in the conference with a dual meet record of 8-3. That success was capped off with the Newark Public Schools Championship and 3 runners in the top 10. Team success was supplemented by individual success on the girls side where lone Senior Haleemot Adeyanju captured the respective individual titles.

GIRLS TENNIS

The varsity girls tennis team finished their successful 2017 campaign with a 3-9 record. Success may have not shown itself on the scoreboard but all of the girls showed tremendous improvement in their tennis abilities. The tennis team was led by first singles player and three year starter Stephanie Seda. At second singles was two year starter Jessica Maia. At third singles was second year starter Mylene Martinez who battled for the Red Raiders. Rounding out the team at doubles were first year player: Rayanne Felisbino, Denise Herrera, Maria Herrera, Elizabeth Rosales and Kuwani DaSilva. Great job girls on a fun and exciting campaign!!!

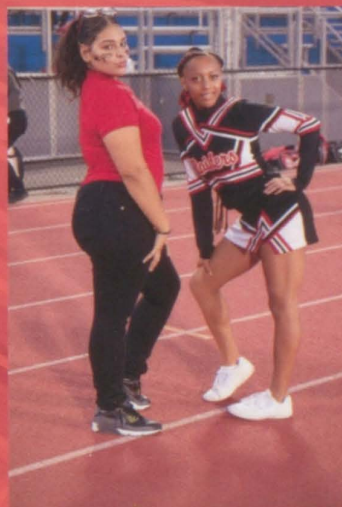

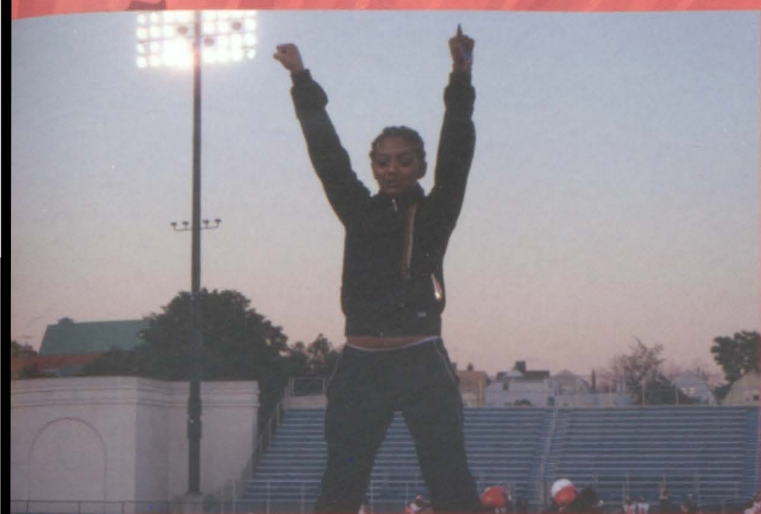

CHEERLEADING

Our Cheerleaders have faced many obstacles this year, but all together they came out as a family. The team learns new things each year and they continue to grow stronger together. The squad consists of enthusiastic, dynamic, fun, hardworking students whose mission is to primarily represent the school with a spirit of support for our football and basketball teams, the fans, and the entire East Side community. This year we have three seniors that will leaving us to go to college: Quaniyah, Tehlia, and Destiny. We wish them the best and know they will continue to EAT. SLEEP. CHEER.

BOYS BASKETBALL

The Red Raiders' season should definitely be defined by their resilience and camaraderie while undercut by early-season injuries than by a heart-wrenching loss to Shawnee in the Group 4 final. Behind the balanced play of Seniors Shamir Johnson, Jahid Jenkins, DeAndre Speight, Hassan Ceasay, Keron Williams and Izalm Jerome and junior Anas Amos and others, East Side won the SEC-American title, a 10th Newark Public Schools Christmas tournament title, a second straight Essex County Tournament crown (our 5th) and it defeated two-time reigning Group 4 champion Linden in the sectional final (our 5th). Until the Shawnee loss, the Red Raiders had gone undefeated against other public schools. The Coaches would like to thank all of the seniors for all their hard work and wish them all well in college!

GIRLS BASKETBALL

The Lady Raiders' season can be defined as resilient! Under a new Head Coach this year, these young ladies learned what it felt like to be winners even when the score did not say so. They demonstrated strength as they fought together to carry out their season. They worked together as a team and became a family. The Lady Raiders displayed a higher level of improvement throughout the season and was led by two captains Senior, Sheralyn Perez and Junior, India Pope, who helped to prove that when you come together as a family anything is possible. Two other players that contributed solid play are Senior Syaiza Fleurmond, who will be leaving us, and Junior Terionna Laney, who will be returning for another season. The coaches would like to thank all players on a great season, but we wish our seniors the best! "You want to be good or you want to be great"

BOYS HOCKEY

The East Side High School ice hockey team finished the season with a 4-10-2 record overall and had 10 of their 16 games decided by 2 goals or less. The team's hard working and disciplined approach to games was sustained over the course of the season which enabled them to improve each game and earned them a chance to play in the semi-finals in the McMullen Division. This year's team was led by Gabe Dos Santos, David Dos Santos, Lou Santiago, and Diego Martinez. Each captain earned All-McMullen honors: David Dos Santos (First Team Defenseman), Gabe Dos Santos (Second Team Defenseman), Lou Santiago (Honorable Mention Forward), and Diego Martinez (Honorable Mention Forward). These seniors will be missed along with Justin Monteiro and Angel Jimenez, who both contributed every game with their relentless style of play. Next season, a group of 15 players with varsity experience look forward to reaching the McMullen Finals because of the foundation of discipline, dedication, and hard work that was established during the 2017-18 season.

GIRLS HOCKEY

This is the third year that East Side has had a girls ice hockey team! The 17-18 season began with a handful of veterans and several players new to the sport. Together, they worked hard to learn new skills, master game strategy, and come together as a family unit. They finished with a record of 5 wins, 9 losses, and zero ties. Fantastic job ladies! We look forward to seeing you progress in the future! And, we thank our three seniors, Salome Ferreira, Samantha Branco, and Ashley Junqueira for their enthusiastic leadership in making this season a fun and a successful one!

WINTER GUARD

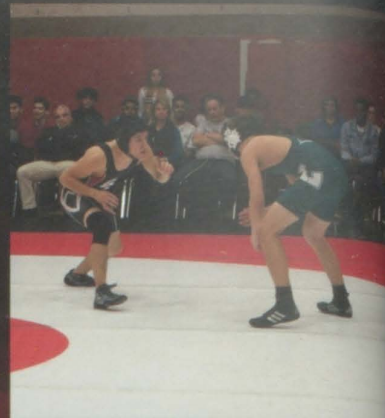

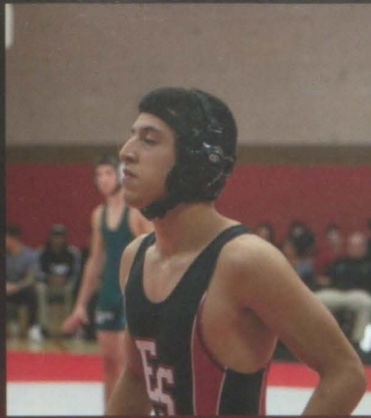

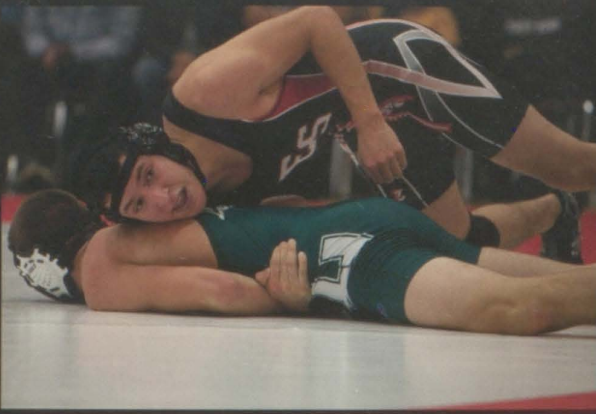

East Side High School Winter Guard has been in existence for 35 years. the program has won multiple championships and placed in regional finals throughout the United States.

We continue to help our inner city students to stay off the streets and learn how to perform in front of an audience. It helps them become the men and women they are today.

Good Luck Class of 2018.

WRESTLING

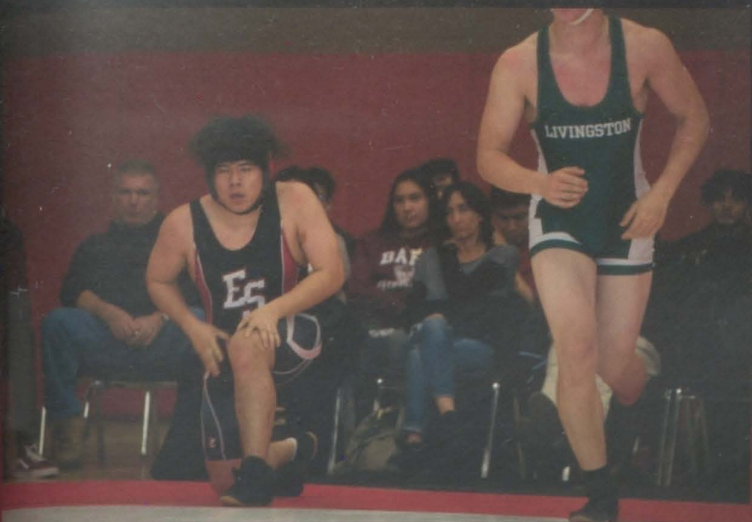

George Monteiro gave it his all towards the team as the captain for 3 years and Wrestling for his entire high school years. His leadership and dedication brought out the best from everyone, making sure that this wasn't just a regular sport.

Senior Wrestlers (Left to Right from Top to Bottom):
Brian C, George M, James S, Michael L, Steven H, Ricky V, Jose D

The East Side Wrestling team finished with a season record of (10-13). We had a very young team this year with only 2 returning varsity starters. It was led by three year Senior Captain George Montero (145lbs) who finished with a season record of (21-12) and senior Michael Lema (220lbs) who was (17-7). Other Seniors who helped contribute were Steven Hernandez (285lbs), Jose Deleg (195lbs), Ricky Vivanco (170lbs), Edilberto Lazaro (182lbs), Jonathan Ordonez (152lbs) and Brian Castillo (220lbs). Our seniors led by George helped establish a tradition of responsibility and accountability that our athletes did an excellent job at. Our teams motto is "Once you have wrestled everything else in life is easier". For our departing seniors we expect great things from you. You will always be welcomed back into the Room. Remember that your mind is always stronger than your body!

INDOOR TRACK

Lone Senior Haleemot Adeyanju captured the respective individual titles. Haleemot moved onto a picture perfect Indoor season with 1st places finishes in 800 meters in the Essex County Championships and the NJSIAA State Sectional. The entire team stayed strong throughout the indoor season with many top 5 finishes in various meets and championships. With only one senior on this year's roster, the coaches will continue to build on their young talent as they look to secure a strong and healthy future for years to come.

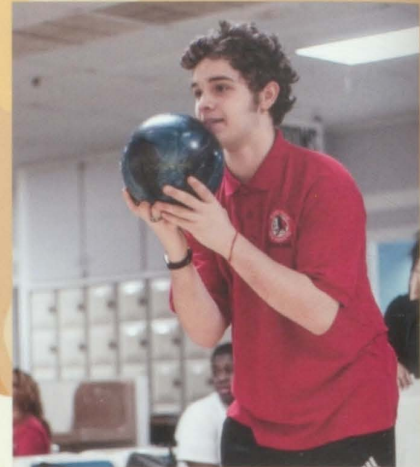

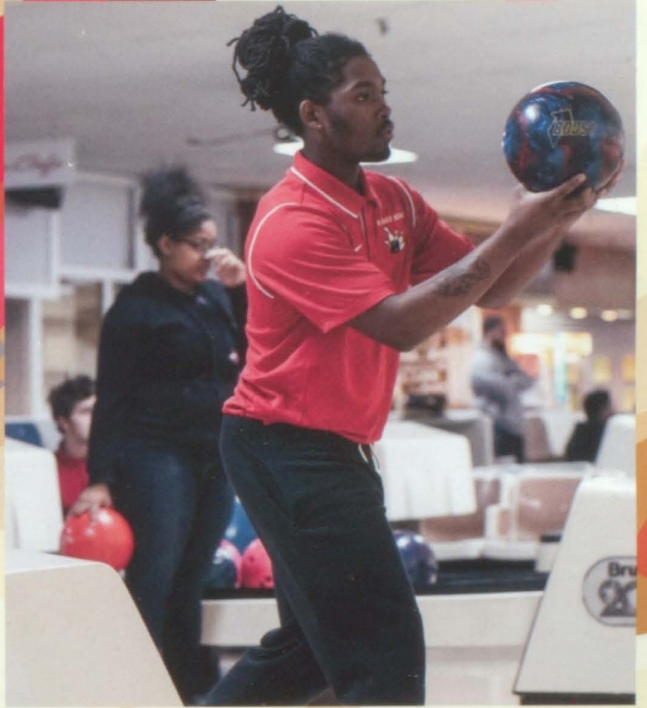

BOWLING

East Side Bowling Team is in the rebuilding stage, however this year the team made a respectful showing. Next year we hope there will be some new talent and recruits and with the help of the seasoned bowlers we will be successful. The Seniors on the team included Tarik Jefferson, Alondra Nieves, Ricardo Nunes and Tianna Quinones.

SWIMMING

The East Side Swim team started their season just before Christmas Break with a couple of meets before starting off 2018 with a convincing win over Science Park. By the completion of the season the swim team finished with an overall record of 3-5. For the first time in program history East Side sent three swimmers to the Super Essex County Championships held in Perth Amboy. Angel Alarcon, Lizeth Jaramilo, and Daniel Howard all had the chance to represent the Red Raiders and did well doing so. To our seniors graduating, good luck in your futures Coach G and Coach C wish you nothing but the best!!

BOYS LACROSSE

The 2018 East Side Boy's Lacrosse Team continues to grow in numbers and experience in its twelfth varsity season. After a 0-17 season in 2017, the team looks to build from that tough campaign. The offensive will be led by Seniors Brandon Erazo (2017 All-Conference/All-Division), Andre Amador, Bradley Pena, Kyle Pereira and Tarik Johnson. A young defense will be anchored by Seniors Brandon Gonzalez and All-Conference/All-Division Goalie Wuilber Romero. However, the return of a young underclass led by Alvaro Villamil, Jonathan Sacta and Ameer Al-Akbar along with a stable of new talent should bring a promising season. Look for the Red Raiders to scalp some opponents in 2018.

GIRLS LACROSSE

Front Row- Jessica Mingato, Claudia Tavares, Ana Calderon, Johana Ruiz **Back Row-** Ashley Rosario, Gia Solorzano, Esther Ocasio, Dayana Cabrera, Team Captain Katherine Paucer, Melissa Pereira, Team Captain Jennifer Ordonez, Marcela Delagadillo, Vanessa Alonso, Shandra Lora

Team Captains:
Jennifer Ordonez and Katherine Paucer

Captains Katherine Paucer and Jennifer Ordonez lend their leadership skills and lacrosse expertise as the team takes on several new opponents this year. Senior Ashley Rosario continues to stop the shots and keeps us in the game. Returning players, Gia Solorzano, Vanessa Alonso, Chyan Lilly and Melissa Pereira use their speed and passing skills to move the ball into scoring position. There are also several new players Maria Jaramillo, Llanira Urquilla and Johanna Ruiz who have contributed with their work ethic and ability to understand the game. The team will have to continue to play well to have another winning season.

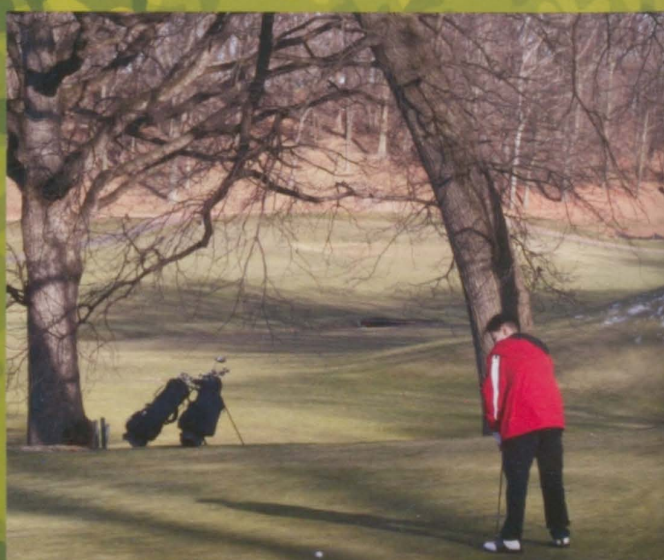

GOLF

This season, East Side's Golf Team was ready to compete. Under the leadership of Coach Wiseman, and after winning our Conference Title, we were psyched. Even the snowiest March on record, could not keep us down. Our senior, Ana Venceslau helped lead the way. Our juniors became the core of the team. Michael Rivera, Matt Atehortua, Gabriel Margaca, Pierre Belizaire and Denzel Small kept chipping away at their handicaps and seldom missed an opportunity to play. Edward Marecos and Christian Gomes are our new freshmen legends who define sportsmanship and diligence.

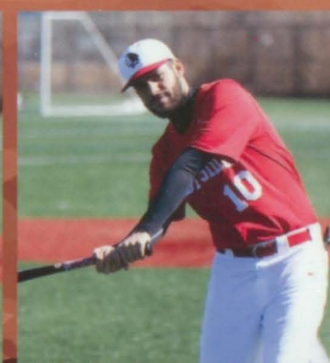

BASEBALL

The 2018 baseball team is led by a senior-heavy lineup competing in the tough SEC American division. Key players this season are Diego Martinez at SS, Amaury German at 2B, Joel Ortega at 1st, and Emmanuel Polanco behind the dish. In the outfield, Michael DeLaCruz will patrol CF alongside with Miguel Cerda at RF and Francis Reyes in LF. On the hill, 4-year starter Enrique DeJesus is the team ace along with Junior #2 man Steven Rodriguez and Junior #3 Emmanuel Santana. Support role players are 2Bman Kenny Hernandez, 1Bman Martin Aponte, and newcomers Jr. Rameen Vasquez and Soph. brother Rimeen Vasquez in the outfield.

SOFTBALL

The East Side Softball program looks to be in a rebuilding year this season. The varsity team graduated six starting seniors this past spring and the team will have a completely different roster and a brand new look. This is Coach Capitani's second year as the Head Varsity Coach and he now has a new assistant, Coach Gina Frasso. The coaches and players certainly have their work cut out for them. With the leadership of Captains senior Bailei De Jesus and junior Maria Kelly, the transition from the old squad to the new should prove to be exciting. The only other senior on the team is 4 year player Alina Albano. Her experience and positive attitude will go a long way in the development of all the fresh, young Lady Raiders.

BOYS TENNIS

This year's tennis team will look to take on the challenge of winning in the Essex County Colonial Division. With only 2 returning players, East Side will turn to a young squad to put East Side tennis back on the map. East Side will be led by first singles Gustavo Da Rocha. The sophomore heavy squad of Jelyson Pena, Danny Vinhas, Jeovanni DeOliveira, Jannier Solano, and Elijah Pollas will carry the load for this season. Good luck gentlemen and Go East Side.

BOYS VOLLEYBALL

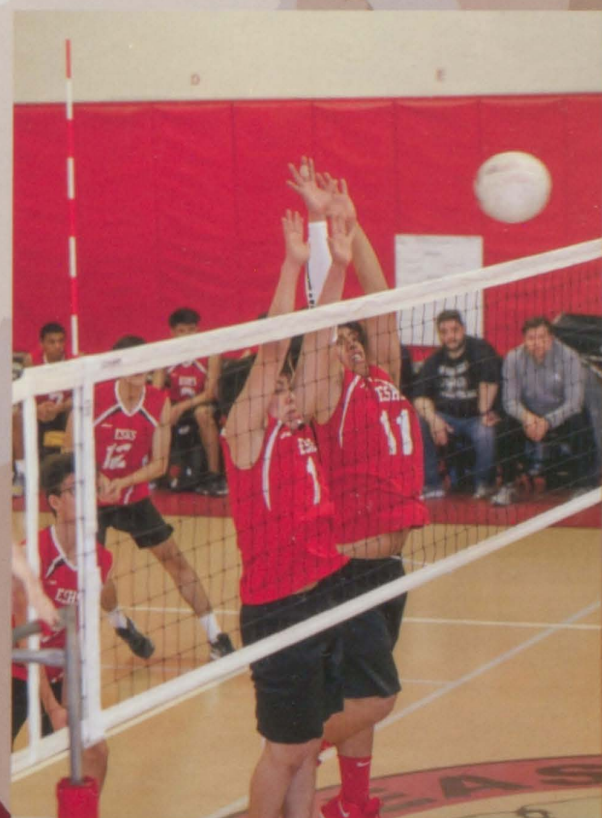

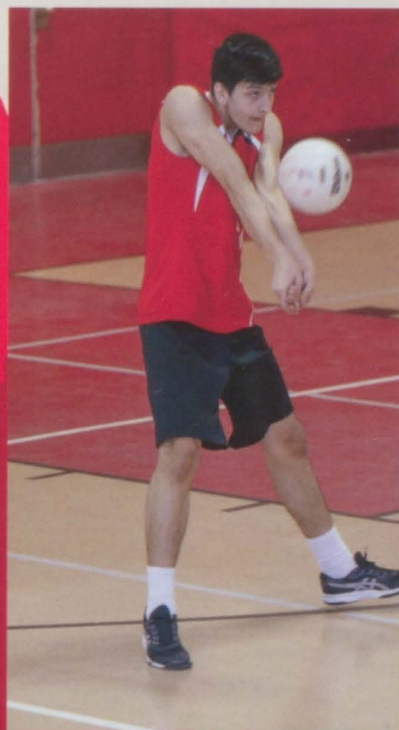

We are looking forward to an exciting season as we've moved into the Liberty Division! We return this year with more competition, more games, and our 1st graduating class since the program was revamped with a new team and coaching staff in 2016.

Stepping out into the real world this year our 2nd year MB Orelando Almond, 3rd year MB/MH Juan Carchipulla, and the young man who brings it not only on the volleyball court but on the soccer field, Captain Guilherme Alves. East Side Boys Volleyball team is looking ahead to an exciting and challenging season but we are ready to leave our heart on the court.

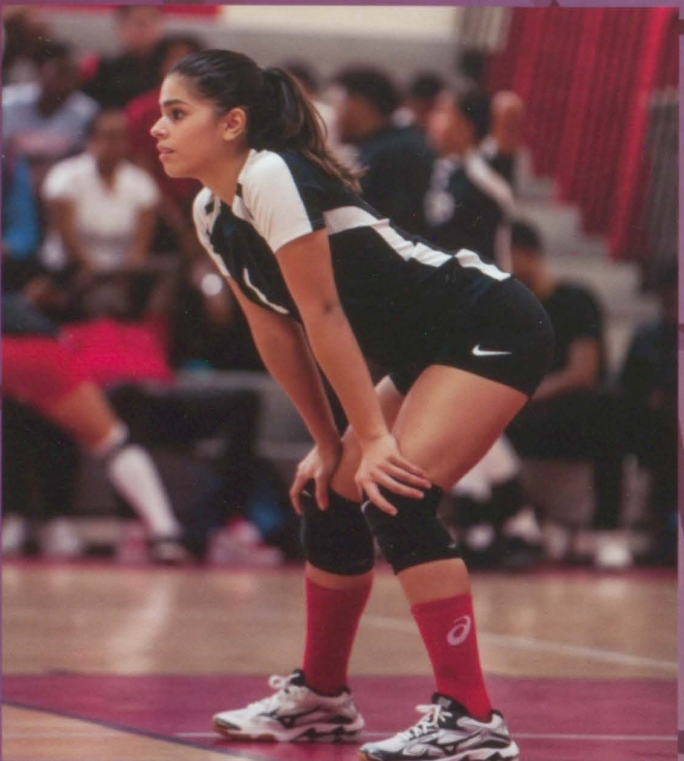

CHANT:

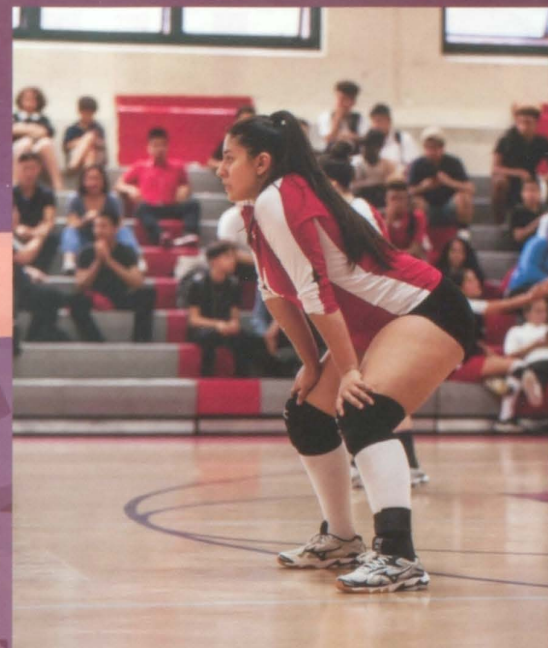

We on the court Like.. Defense Like...
We kill Like... 2018 Like... BEASTSIDE

GIRLS VOLLEYBALL

After getting off to a slow start, the Varsity Girls Volleyball team finished very strong. While getting to know the girls took a little while one thing stood out from the first day moving forward, this was a group who were very eager to learn. It took some time and commitment from the girls and coaching staff but with about two week left i the season the team began to gel, the chemistry was great, and we finally were executing. I'm really looking forward to next season and I hope the girls are as well

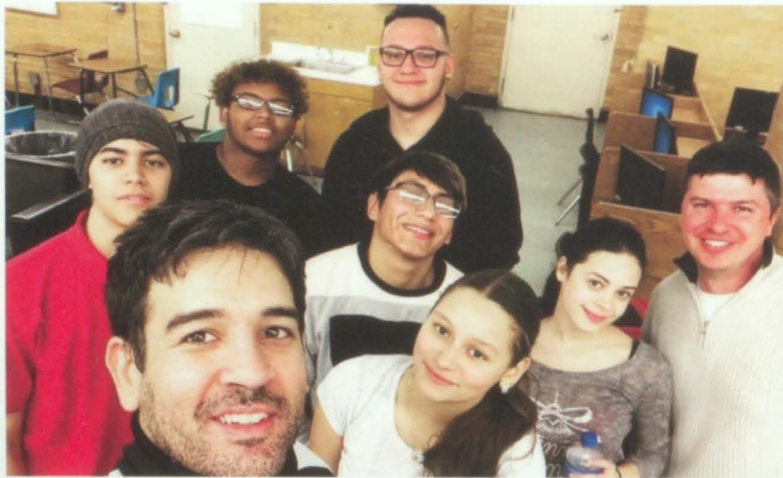

Coach Terranova

The season has been one of the best for me, the practice has made us very good. It was a season where I had a great time and also all the girls. It was a very good season and I hope that the girls next year will do better than us and enjoy this beautiful sport
